

Make voice calls over the internet and save

Add a VoIP (Voice Over Internet) bundle to your Vodacom Business Internet line with no additional installation costs.

To save up to 20% on your bill all you need to do is:

- Add a Vodacom non geographic landline number (087) for R9.43 once off
- Choose an analogue or IP phone from R12.59pm x 24
- Choose the Voice bundle with the best minute allocation for your business

Bundle options available:

R135pm
x 24

250 mins

R235pm
x 24

500 mins

R505pm
x 24

Unlimited mins

Benefits:

- Significant cost saving – up to 20%
- Make and receive voice calls to all local fixed and cellular destinations
- High-quality voice calls

Call 082 1960, search Vodacom Business, contact your account manager today or visit your nearest store.

Disclaimer:
Unlimited minute bundle has a Fair Usage Policy of 5 000 minutes.
Out of bundle rates will apply.
Please note that international calls are billed separately and will not be deducted from VoIP bundles.
